Elizabeth Seton Children's School

November 17, 2025

Dear Howie,

Thank you so much for sharing your musical talent with the students and staff of Elizabeth Seton Children's School in Yonkers!

Your performance brought a bright, uplifting energy and a sense of joy that touched us all.

Everyone enjoyed dancing and singing along to the wide assortment of well-known songs from beloved Disney classics to timeless favorites like the Beatles and more! Your ability to connect with the children, adapt to their responses and create a fun and inclusive atmosphere made the experience especially meaningful.

We look forward to having you back with us for the upcoming holidays in December.

Sincerely,

Sharon Herl
Principal
